

Outbreak Status

I am sorry to inform you that we have had one new resident test positive for COVID. The current outbreak status is as follows:

	Staff	Residents	Essential Caregivers (family or loved ones)
Number of people with COVID at Maxville Manor	1	2	2

Caregiver Testing

A reminder that the next caregiver testing day will be on Tuesday, January 19 from 10:00am-12:00pm. This will be a drive thru again.

Donning and Doffing

We are required to don when entering the Manor and doffing when exiting each resident's room, as well as any time leaving the B/C unit.

Personal Protective Equipment and Bins

Please ensure that you close the bins after every use to ensure that the products inside are protected. Hand sanitizer and wipes can remain outside of the bins, except for in B/C wing for resident's safety. Make sure to wash your hands prior to opening the bins.

Media Coverage

Our outbreak and involvement in rapid testing has been featured in the Glengarry News and will be featured in the New York Times and the Ottawa Citizen.

Close resident's doors

Please close all resident doors where possible except for if they are a fall risk. As a result, staff must do checks every 15 minutes to ensure that residents are okay.

COVID reporting

I want to reiterate that if you have any COVID symptoms, please stay home.

Thank you for your support!
