

Outbreak Update

There are no new cases as of 11am on January 26, 2021. The current outbreak status is as follows:

	Staff	Residents	Essential Caregivers (family or loved ones)
Number of people with COVID at Maxville Manor	1	1	0

New Target of February 5 for vaccination of Long Term Care residents

The Ontario government announced today they would be speeding up the vaccination of residents in a long-term care, high-risk retirement, and First Nations elder care homes by a new target date of February 5, 2021. At a news conference, Premier Ford said that in light of the Pfizer shortage, the government is ensuring all available supplies are redirected to those who need them most.

The slow down in Pfizer deliveries to Canada has meant adjusting the rollout plan to focus on residents, and to provide second doses according to a modified dose interval to those who are not residents. Remaining staff and essential caregivers will be reached as quickly as possible as more supply is received.

Homes in public health units where first doses have not yet been available will have doses delivered to them on an expedited basis and the vaccination program will be accelerated to reach residents as quickly as possible.

A memo from the Ministry's new ADM for LTC Pandemic Response (below and on [ltchomes.net](https://www.ltchomes.net)) provides an overview of this new direction as well as information on consents, data collection, vaccine administration, testing and screening requirements for external vaccinators, and tips to promote vaccine uptake.

MY EVERYDAY
Hero

100%
DONATED TO
**The
Frontline
Fund**

 JEWLR

The advertisement features a central image of a sterling silver shield pendant with a maple leaf design, set against a white background. The pendant is suspended from a chain. To the left of the pendant, the text 'MY EVERYDAY' is in a bold, black, sans-serif font, and 'Hero' is in a large, red, cursive font. Above 'MY EVERYDAY' is a small red shield icon with a white maple leaf. To the right of the pendant, the text '100%' is in red, 'DONATED TO' is in black, and 'The Frontline Fund' is in a large, bold, black, sans-serif font. At the bottom right, the JewlR logo is displayed, consisting of a colorful diamond icon followed by the word 'JEWLR' in a white, sans-serif font on a dark red background.
