

**Outbreak Update**

	Staff	Residents	Essential Caregivers (family or loved ones)
Number of people with COVID at Maxville Manor	1	0	0

**Zoom/Facetime Calls**

We are please to be able to connect residents with their loved ones via Facetime / Zoom while in outbreak status. We have adapted our equipment to allow for these connections to happen in residents rooms. Please call to book appointments at Ext. 227 or email [dmurraymacdonald@maxvillemanor.ca](mailto:dmurraymacdonald@maxvillemanor.ca) . We ask for you to call to book appointments Monday – Friday but actual connections maybe scheduled 7 days a week. Gentle reminder that we discourage all window visits during outbreak whether it is at the front or at resident window. Thank you for your understanding.

**Caregiver Testing**

The next COVID testing day for caregivers will be on Tuesday, February 23 from 10:00am-12:00pm as a drive thru. This weekly regular testing will continue until we are out of outbreak. You are still required to have a rapid COVID test upon each entrance to the building. At this time, there is still only one essential caregiver per resident who is able to visit. Thank you.

**Resident Vaccinations**

We are very happy to report that our residents had their second vaccine last Saturday and there were no ill effects.
