**COVID Testing Days**

The next regular COVID test day is Tuesday, February 23 from 10:00am-12:00pm at the Manor as a drive thru. In addition to this, we still require the rapid test upon entry for the one essential caregiver per resident who is visiting. Thank you for your patience and understanding with all these changes.

**Rapid Testing Upon Entry**

We recognize that there can be occasions when the nurse may be delayed coming to complete your testing prior to being able to enter the home. We appreciate your patience.

**Symptoms**

A reminder that if you are ill please do not enter the home. Thank you.
