

**Outbreak Update**

There are no new cases as of 10am on February 3, 2021. The current outbreak status is as follows:

	Staff	Residents	Essential Caregivers (family or loved ones)
Number of people with COVID at Maxville Manor	0	0	0

We have completed resident, staff and caregiver testing for this week. We are pending results. If all results are negative, we expect to be out of outbreak on Thursday. We will keep you notified of any changes.

**Changes to COVID-19 Testing**

Please be advised there will no longer be essential caregiver COVID swabbing on Tuesdays from 10am-noon. We are transitioning to strictly rapid tests upon entry to the Home. Please let your loved one’s other essential caregiver know if they are not on this email list. Thank you!
