

Outbreak Update

There are no new cases as of 10am on February 4, 2021. The current outbreak status is as follows:

	Staff	Residents	Essential Caregivers (family or loved ones)
Number of people with COVID at Maxville Manor	0	0	0

We are still waiting on 4 staff results to come in. Once we receive all our negative results we will be out of outbreak. We will let you know as soon as this happens.

Strategic Plan Survey

Thank you for your participation on our last Maxville Manor Strategic Plan Survey. We have taken recommended changes into consideration and have narrowed down our new Strategic Plan 2021-2024, to confirm we are on the right track, we ask you to please complete this validation survey and provide your input for any additional comments/changes before the Strategic Plan is finalized. Thank you!

Special message for post-outbreak guidelines

Please be advised that residents will continue to dine in their rooms after outbreak to respect social distancing until further notice. This will continue until community transmission goes down. Residents will be allowed to go to the tub room for baths and out for walks for exercise. Activities will continue to be on a one-on-one basis until further notice.

Also, window visits and FaceTime chats will resume. Please contact the Activities Department to set up times to visit with your loved ones at 613-527-2170 x227.

Thank you for your understanding and participation in keeping our residents, staff, and essential caregivers safe.

Staff Photos

We will be placing staff member's picture in a lanyard for staff to wear after outbreak. This will assist residents to be able to identify who is under that mask & face shield.

Resident Vaccinations

The second round of resident vaccinations will occur on Saturday, February 13th. We are still waiting on a date for staff and essential caregivers.
