

Outbreak Update

There are no new cases as of today, March 30. The outbreak status is as follows:

0 Residents

0 Staff

1 Essential Caregiver

Red Zone

Eastern Ontario Health Unit is now in the red zone. This does not change any of our protocols at the Manor. We are still allowed to have two essential caregivers visit per resident, but only one at a time.

Vaccine Booking

We understand that people are having difficulty booking their second dose of their vaccine. For those who live in the Eastern Ontario Health Unit region, you can pre-register for your vaccine with this link:

<https://forms.office.com/Pages/ResponsePage.aspx?id=E7u5JVnh7kG8ptXvUMaXDHrj0tmwIyxCvRZOMy2DikIUMU1FMkg4UIVQMVpLMIZTNjJDWFJWNDZROC4u>

This requires a valid email address to book the vaccine. If you do not have an email address, you will need to phone your local health unit, and please be aware they are back logged with calls and to expect a wait.

New Bath Plan

Great news! I am happy to report that we have been able to get approval from the Eastern Ontario Health Unit to resume baths for residents even though we are in outbreak. It requires us to perform additional cleaning methods. We are spending today and tomorrow training care and housekeeping staff on the new protocols. Residents will be able to resume their regular bathing schedule again starting on Thursday, April 1, 2021.

Thursday is a Theme Day: Wear your pastels!

As you know, we are looking to enhance engagement of residents during this outbreak. As a result, we have decided to hold a parade (per unit) on Thursday,

April 1st. We encourage everyone to wear pastel colours and hats Thursday and into the weekend.

Tomorrow, we will provide the parade schedule for Thursday. We will need everyone's help in getting the residents near their door frames to take in this special event.
