

Testing Tomorrow

The next mandatory PCR covid testing date is tomorrow, **April 1st, from 10:00am-12:00pm noon** as a drive thru at the Manor.

Footcare at Maxville Manor

I am happy to report that we have a new foot care nurse that has been hired. At this time, we are waiting for some equipment to arrive which should be this week. It is a new Autoclave machine which is used to disinfect the footcare tools as our current one is broken. Once all the equipment has arrived, our footcare nurse will visit weekly or more often if needed. We are also in the process of training one of our RPNs who can also help with the footcare.

Resident Walks Outside

We are fortunate that the Eastern Ontario Health Unit is now allowing us to be able to take residents outdoors (weather permitting) with staff, essential caregivers and resident wearing necessary PPE while in outbreak.
